HAMMER™

Tough, Simple And Affordable

Description

With the Hammer™, you get one-size-fits-all styling for dump bodies up to 23 feet. Strong 1-1/2-inch diameter square "easy-off" pivot arms and flat coil torsion springs provide smooth, powerful operation. The GL model has a ground-level manual crank while the standard Hammer is powered by the Durabuilt 12V direct-drive motor with rotary switch. Optional upgrades include 40-amp Durabuilt™ rocker switch kit with solenoid, wind deflectors, pivot arm rests and spring trap and tarp trap hold-downs.

Distribution and Service on Six Continents!

HAMMER

Features

Silicone Chrome Springs Each Hammer comes with 8 long-life torsion springs made of silicone chrome steel.

3-Year Motor Warranty The dependable Durabuilt™ 12V direct-drive electric motor has an in-cab rotary switch for operator convenience. The motor comes with a three-year full replacement warranty.

Quick Install and Tarp Exchange With our roller bar design and a rear crosspiece that removes in minutes, both install times and tarp changes can be accomplished in minutes.

Optional Pivot Rest Pivot arm rests are an option for the Hammer flip tarp. The arm rest creates a steadier arm while in the locked position and helps keep the arm from bouncing during transportation.

Huge Tarp Selection When pricing your Hammer™ system, you will need to order your choice of tarp and add that to the price. Choose from heavy-duty mesh, multicolored PVC mesh, 18-oz. vinyl or asphalt lumite. Asphalt lumite is water resistant and not PVC coated, so it's able to handle much higher heat levels than vinyl. In addition to lumite, other asphalt-friendly selections are also available, including RFL, urethane-coated airbag, 22-oz. vinyl and doloprene. More tarp options can be selected, such as non-standard colors, side flaps, reinforced pockets or hems, webbing, boxed corners, stenciling, grommets and D-rings.

For more information on the Hammer™, contact your local Shur-Co® dealer or your nearest Shur-Co® location, or visit us online at www.SHURCO.com.
