CONSTRUCTION DIVISION

# TURBOTARP™ 2

Simple, Affordable And Low Maintenance

## Description

TurboTarp 2 expands from 60 to 104 inches to fit any body width and can be bolted or welded on. The perfect choice for landscapers and other light-duty bodies, this system comes preassembled and installs quickly and easily. It features an extremely durable extruded aluminum tarp roller bar and a splined tarp groove in the roller tube for faster change-outs. A foldaway handle locks the system – no strap required! Available options are a complete pull-bar assembly, wind deflectors and a tarp trap hold-down kit.

Kits contain hardware only. The TurboTarp 2 can be teamed with any type of tarp material, including asphalt and waterproof tarps with flaps. Replacement tarps are readily available.

***Distribution and Service on Six Continents!***

**TurboTarp<sup>2</sup>**

## Features

**Quick Installation Time** The TurboTarp 2 systems ships UPS and arrives at your door pre-assembled, making installation both quick and easy. Save time and effort when mounting this system to your truck body!

**Optional Wind Deflector** An optional wind deflector kit can be ordered to make the tarp system safer and more secure when driving at highway speeds.

**Easy Tarp Replacement** Don't have hours to swap out a tarp? Then the TurboTarp 2 is for you. A roller spline groove in the roller bar allows for quick and easy tarp replacement.

For more information on the TurboTarp2™, contact your local Shur-Co® dealer or your nearest Shur-Co® location, or visit us online at [www.SHURCO.com](http://www.SHURCO.com).
