Shur-Co®, LLC Terms & Conditions

SHIPPING. Orders are shipped F.O.B. from the Shur-Co®, LLC sites listed below. No full freight is

allowed or prepaid shipment accepted unless quoted and approved in writing prior to acceptance of the order. All shipments are made by the most reasonable means in accordance with size and weight of order, unless specified routing instructions are furnished by the customer. Shipments are made daily via U.P.S. and common carrier. Claims for shortages must be made within 10 days. All claims for damages or loss in transit must be made with the carrier. No collect calls will be accepted. To ensure delivery of orders, we need your full street address and phone number. When you receive your shipment, examine it carefully. Be sure all cartons listed on the delivery sheet are accounted for. Large items may be packaged separately. If a carton is damaged, open it and inspect the contents before signing for delivery. If merchandise is damaged, describe damage on the delivery receipt. Failure on your part to document damaged or missing merchandise on the delivery receipt releases the carrier of all liability; repair or replacement will be the customer's responsibility.

WARRANTY. We warrant all new products are free of defects in materials and workmanship.* This warranty is effective if products are properly installed and used for the purpose for which they were intended and applies to the original buyer only. Except as set forth above or in any product-specific warranty documentation, we make no other warranties, express or implied, including but not limited to warranties of merchantability of fitness for a particular use.

Returns of a product for warranty must be accompanied by a Return Merchandise Authorization number (RMA#), obtained by by calling Customer Service at 866-748-7435, and sent, with freight paid by us, to Shur-Co®, LLC, 2309 Shur-Lok St., PO Box 713, Yankton, SD 57078. All products returned without an RMA# will be refused. When we issue the RMA#, we will also issue a call tag to have UPS (or other freight company) pick up the product. C.O.D. returns not accepted. We will pay no storage fees for a warranty product return prior to pick by us or the freight company. If a warranty product return is scheduled to be picked up by us, we will pick up the product at our earliest convenience.

If a product returned is found, in our judgement, to be defective in material or workmanship, our obligation under this warranty is limited to the repair or replacement of the product, which will be made by us. Repair or replacement will be at our discretion, with replacements being made using current products performing in the equivalent function. Labor charges, other than those incurred at our factory, including, but not limited to, any labor to install a repaired or replacement product, are not covered under this warranty. All expenses associated with delivering defective products to our factory and delivering repaired or replacement products from our factory to the owner will be paid by us.

If the product returned is found, in our judgement, to be non-warrantable, the owner will be contacted to authorize repair work, purchase of a replacement product or return of the product, all of which will be at the owner's expense. Payment authorization must be received by us before any non-warrantable product is repaired, replaced or returned. All expenses associated with delivering the repaired non-warrantable product, a replacement product or the non-warrantable product from our factory to the owner will be paid by the owner.

In no event will we be liable for any damages of any kind to person, product or property, including but not limited to indirect, incidental, special, consequential or punitive damages, or damages for loss of profits or revenue, even if we have been advised of the possibility of such damages. There are no warranties for used products or products that have been repaired, altered, modified or subjected to misuse, negligence or accident. We will not repair or replace products that fail or malfunction due to ordinary wear and tear, except as expressly noted in a product-specific warranty. Use of non-Shur-Co®, LLC parts in conjuction with Shur-Co®, LLC products will void this product warranty.

*Certain products have specific warranties that differ from this warranty, for example motors and electronics. Product-specific warranty documentation is available for these items. In the event of a conflict between this warranty and a product-specific warranty, the product-specific warranty will govern.

RETURN POLICY. All sales final. See WARRANTY above for return details.

OTHER. All prices, product listings, sizes, weights and manufacturing details are subject to change without notice. No person is authorized to modify the foregoing conditions of sale whatsoever.

MESSAGE TO OWNERS

Thank you for buying this electronic system from Shur-Co[®]. We appreciate your confidence in our products. Please read and thoroughly understand this manual before operating this system.

Pay particular attention to important safety and operating instructions, as well as warnings and cautions. The hazard symbol is used to alert users to potentially hazardous conditions and is followed by caution, warning or danger messages.

Failure to READ AND FOLLOW INSTRUCTIONS could result in failure of your electronic system and/or personal injury. Your trailer requirements may, however, call for minor variations to these instructions.

Please inspect your electronic system periodically. Repair or replace worn or damaged parts to your system.

QUESTIONS? CALL OUR HELP LINE:

1-866-748-7435

MON-FRI 8 AM-5 PM CENTRAL TIME

SAFETY

We at Shur-Co® are concerned with your safety and the safety of all those operating this system. Therefore, we have provided safety decals at various locations on your electric system. Keep decals as clean as possible at all times. Replace any decal that has become worn or damaged, painted over or otherwise difficult to read. Replacement decals are available through Shur-Co® dealers.

SAFETY INSTRUCTIONS

- 1. Keep body and clothing clear of moving parts.
- No other use of this system is authorized, except as designed.

RUST PREVENTION

To prevent rust, paint all exposed metal, such as weld seams and/or metal exposed by grinding or cutting, with corrosion-resistant paint.

TABLE OF CONTENTS

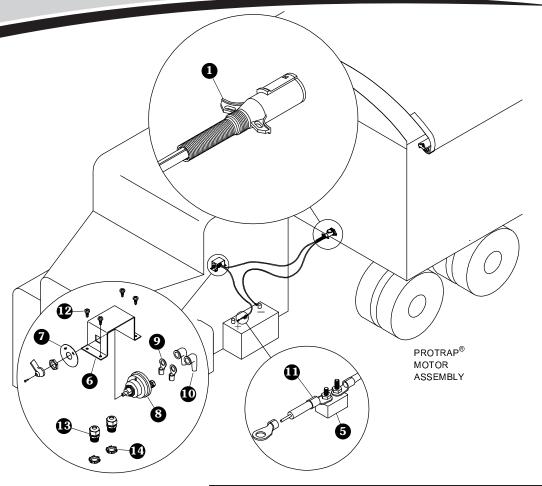

Mounting & Wiring	1
Operation	3
Replacement Parts	4-6

TOOLS REQUIRED

- 1. Pencil or Marker
- 2. Drill
- 3. 7/8" Drill Bit
- 4. Wire Cutters
- 5. Dry Silicone Spray Lubricant
- 6. Wire Terminal Crimper
- 7. 1" Combination Wrench
- 8. #3 Phillips Insert Bit
- 9. #2 Phillips Screw Driver
- 10. Allen Wrench (supplied) 15/16"

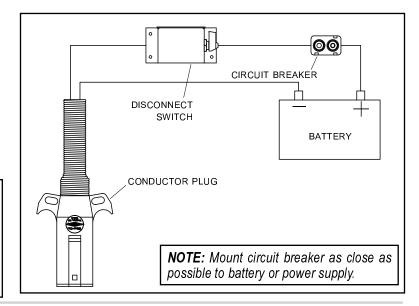

<u>ltem</u>	Part #	Description
1.	1115385	Heavy-Duty Dual-Conductor Plug
5.	1704354	40-Amp Modified-Reset Circuit Breaker
	1118323	Disconnect Switch Mounting Bracket
7.	1704284	Face Plate
8. 9.	1704283	Battery Disconnect Rotary Switch
	1705105	Ring Terminal - 4 Ga. x 3/8" Stud
	1704330	Rubber Insulating Boot
11.	1705106	Ring Terminal - 4 Ga. x #10 Stud
	1703231	Cable Tie - 8" (not shown)
12.	1700398	Self-Drilling Screw - 1/4" x 3/4"
13.	1704152	Dome Nut - 1/2"
14.	1704187	Lock Nut - 1/2"

NOTE: Cut wires to length and strip only enough wire insulation to install ring terminals. Insert bare wire into ring terminals and crimp securely.

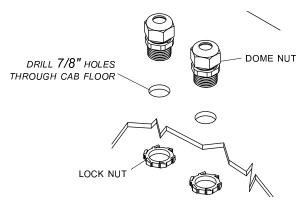

A NOTICE

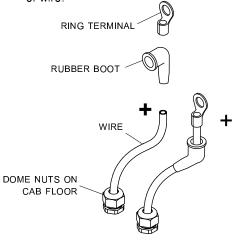

Do not power any Shur-Co® wireless system with battery charger alone, as this will likely cause system abnormalities and/or system malfunction. Instead, use 12-volt truck/automobile battery to provide power to trailer.

STEP 1: Drill two 7/8" holes in cab floor to route wire into cab. Install dome nut strain reliefs into holes.

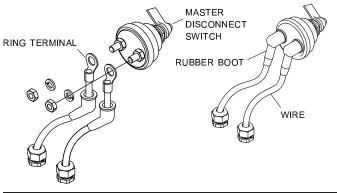

STEP 2: Run positive 4-ga. wire from battery through dome nuts on cab floor. Run wire ends through rubber boots, strip wire ends and crimp 3/8" ring terminals to ends of wire.

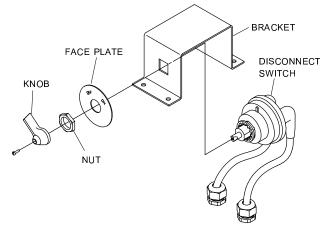

NOTE: Use dry silicone spray lubricant on wire and boots to aid installation. This is a very tight fit.

STEP 3: Connect wires to disconnect switch. Coat with dielectric grease and install rubber boots over ring terminals.

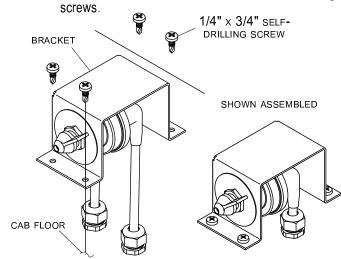

NOTE: Use dielectric grease (P/N 1704378) to prevent corrosion on terminals.

STEP 4: Remove knob and nut from disconnect switch and assemble face plate and disconnect switch to bracket as shown.

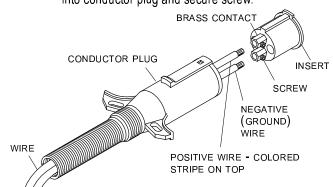

STEP 5: Fasten bracket to cab floor with 1/4" x 3/4" self-drilling

NOTE: Push buttons will remain active until master disconnect switch is turned off.

STEP 6: Unfasten and remove insert from conductor plug. Feed 4-ga. wire through plug and into brass contacts on insert. Tighten screws to secure wires. Replace insert into conductor plug and secure screw.

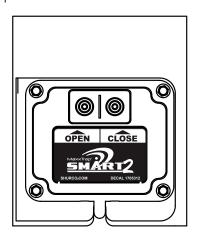

Operation P/N 1122799 Rev. F

A CAUTION

Check all hardware for complete assembly before operating. Inspect system at this time and adjust as required.

OPERATION

Control box operation: Press and hold CLOSE button to close tarp door. Motor will turn off if trap door hits obstruction. Press and hold OPEN button to open trap door. Motor will turn off if trap door hits obstruction. If travel stops are set, motor will turn off at programmed travel limit on open side.

Remote operation: Refer to operating instructions included with your remote.

NOTE: To pair a SMART2™ remote to control box:

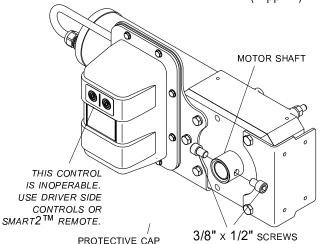

- 1. Select ADD DEVICE from remote's SETUP MENU.
- **2.** Put remote down. On control box, hold **OPEN** and **CLOSE** buttons simultaneously for six seconds.
- 3. After buttons are released, remote will display DEVICE FOUND.

NOTE: If system turns off unexpectedly, rule out travel stops as a potential cause by deleting travel stops. Press **OPEN** and **CLOSE** together for 35 seconds to delete travel stops.

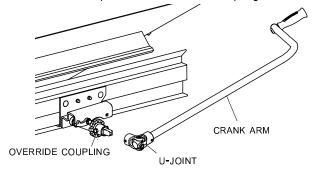

NOTE: Receiver may be pressure washed, but keep nozzle at least 3' from system while spraying.

CONVERT TO MANUAL CRANK

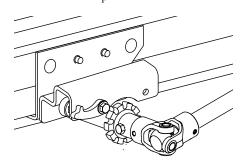

STEP 1: Remove protective cap and 3/8" x 1/2" screws from motor shaft with 5/16" Allen wrench (supplied).

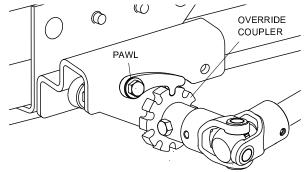

STEP 2: Remove crank arm from storage location. Slide U-joint over square end of override coupling.

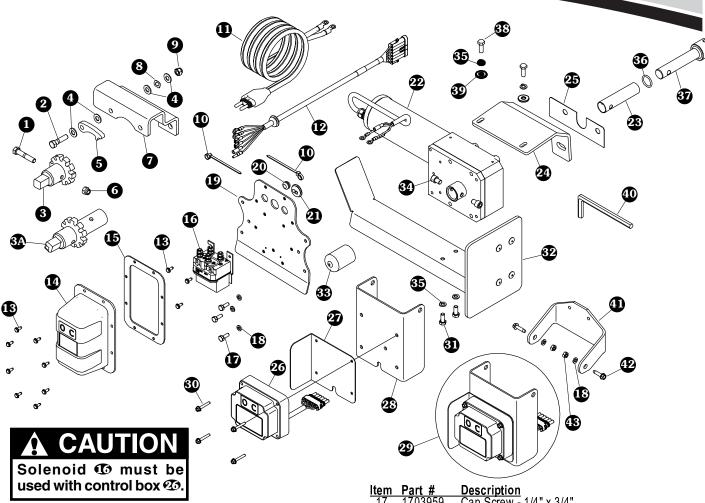

STEP 3: Turn crank to open and close cover.

STEP 4: Insert pawl into override coupler to lock trap into position.

P/N 1122799 Rev. F Replacement Parts

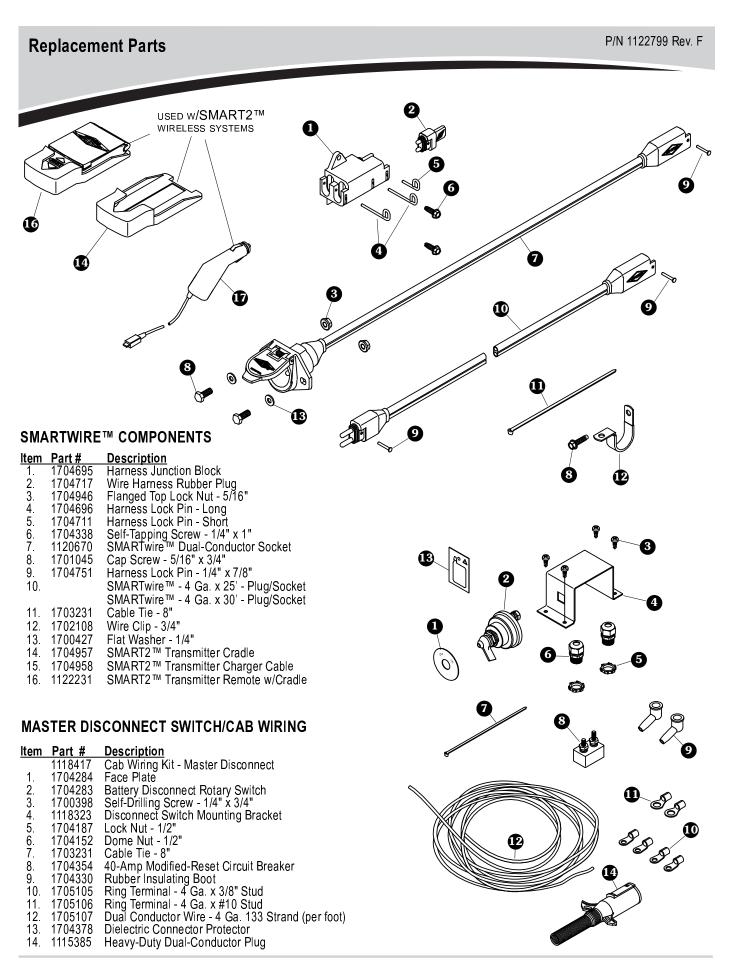

NOTE: Replace MaxxTrap™ parts only with Genuine Shur-Co® parts to ensure proper system function. If Genuine Shur-Co® parts are not used, warranty could be void.

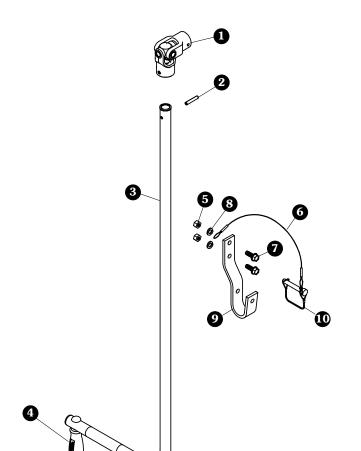

WIRELESS ASSEMBLIES
