

Item Part # Description

- 1. 1112029 Roll Tube Deflector - Gray
- 1114658 Roll Tube Deflector - Black
- 2. 1701059 Self-Tapping Screw - 5/16" x 1"

STEP 1: Position roll tube deflectors low enough to clear tarp while tarp and roll tube are rolled under latchplate and high enough to prevent tarp and roll tube from contacting trailer.

STEP 2: Mark and drill 1/4" holes and fasten roll tube deflectors to trailer with screws **2**.
