

BULLET™

ALUMINUM TARP SYSTEM

D007FL-0819

STANDARD FEATURES

- Extruded Aluminum Roller Bar with Side Plates
- Polished Aluminum 2-Piece Adjustable Pivot Arms
- Durabuilt™ Motor with 3-Year Warranty
- Rotary Switch

HEAVY-DUTY DUMP TRUCK & TRAILER TARPING SYSTEM

The Bullet^{\mathbb{M}} is designed to cover dump bodies up to 23 feet long. Available with either straight or 30° angled arms of anodized aluminum that will never rust! The tarp moves smoothly on an extruded aluminum roller bar, powered by the Durabuilt^{\mathbb{M}} 12V direct-drive electric motor with rotary switch. Optional upgrades include 40-amp Durabuilt^{\mathbb{M}} rocker switch kit with solenoid, wind deflectors, pivot arm rests and spring trap and tarp trap hold-downs.

2-Piece Adjustable Arms

The two piece arms of the Bullet[™] make installation easy. Adjust ing the arm lengths during installation lends itself to a proper fit and better operation.

3-Year Motor Warranty

The dependable Durabuilt™ 12V direct-drive electric motor has an in-cab rotary switch for operator convenience. The motor comes with a three-year full replacement warranty.

Load Security

Four springs per side ensure that your load stays safe and secure even at highway speeds. The springs will secure bodies up to 23 feet long.

Huge Tarp Selection

When pricing your Bullet™ system, you will need to order your choice of tarp and add that to the price. Choose from heavy-duty mesh, multicolored PVC mesh, 18-oz. vinyl or asphalt lumite. Asphalt lumite is water resistant and not PVC coated, so it's able to handle much higher heat levels than vinyl.

In addition to lumite, other asphalt-friendly selections are available, including 22-oz. vinyl and Donoprene. More tarp options can be selected, such as non-standard colors, side flaps, reinforced pockets or hems, webbing, boxed corners, stenciling, grommets and D-rings.
