

WARRANTY

To ensure full warranty coverage, please follow the wiring specifications shown on wiring diagram. Electric system must be in reasonable working condition before installation of the motor. Warranty is good for original owner only.

We warrant the SMART-Drive™ motor against premature wear out for a period of three (3) years. Warranty begins three (3) months from time of factory shipment. SMART-Drive™ motor can only be used in conjunction with the electric system.

Use of the SMART-Drive™ motor in applications other than the Shur-Co® electric system voids the product warranty, unless the use is specifically approved in writing by Shur-Co®, LLC engineering management. The warranty period in these approved applications will be one (1) year, beginning from time of factory shipment. There are no warranties for used SMART-Drive™ motors or SMART-Drive™ motors that have been repaired, altered, modified or subjected to misuse, negligence or accident. The use of non-Shur-Co®, LLC parts in conjunction with the SMART-Drive™ motor will void this product warranty.

Return of a SMART-Drive™ motor for warranty must be accompanied by a Return Merchandise Authorization number (RMA#), which can be obtained by calling Customer Service at 866-748-7435, and sent, with freight paid by us, to Shur-Co®, LLC, 2309 Shur-Lok Street, P.O. Box 713, Yankton, SD 57078 USA. All products returned without an RMA# will be refused. When we issue the RMA#, we will also issue a call tag to have UPS (or other freight company) pick up the product. C.O.D. warranty returns will not be accepted. We will pay no storage charges for a warranty product return prior to pickup by us or the freight company. If a warranty product return is scheduled to be picked up by us, we will pick up the product at our earliest convenience.

If the SMART-Drive™ motor returned is found, in our judgment, to have prematurely worn out, our obligation under this warranty is limited to the repair or replacement of the product, which will be made by us. Repair or replacement will be at our discretion, with replacements being made using current models or parts performing in the equivalent function. Labor charges, other than those incurred at our factory, including but not limited to any labor to install a repaired or replacement product, are not covered under this warranty. All expenses associated with delivering defective products to our factory and delivering repaired or replacement products from our factory to the owner will be paid by us.

If the product returned is found, in our judgment, to be non-warrantable, the owner will be contacted to authorize repair work, the purchase of a replacement product or return of the product, all of which will be at the owner's expense. Payment authorization must be received by us before any non-warrantable product is repaired, replaced or returned. All expenses associated with delivering the repaired non-warrantable product, a replacement product or the non-warrantable product from our factory to the owner will be paid by the owner.

This limited warranty excludes all other warranties, express or implied, including but not limited to warranties of merchantability or fitness for a particular use. In no event will we be liable for any damages of any kind or nature to person, product or property, including but not limited to indirect, incidental, special, consequential or punitive damages of any kind, or damages for loss of profits or revenue, even if we have been advised of the possibility of such damages. In the event of a conflict between this product-specific warranty and any general warranty, this product-specific warranty will govern.

IMPORTANT!

12-Volt Electrical Requirements

The Shur-Co® motor must be used in conjunction with the following Genuine Shur-Co® parts:

- 40-Amp Circuit Breaker P/N 1704354
- 50-Amp SMART™ Circuit Breaker P/N 1705624
(Needed Only When SMART3™ Remote Is NOT Being Used)
- 6-Ga. Dual-Conductor Wire P/N 1703822

Use of unauthorized parts or improper installation may lead to premature component failure.

See electrical diagram for installation details, or call Shur-Co® Customer Service at 1-866-748-7435.
