Work Light

SMARTwire™
Adapter

2-Way Conductor
Socket

The LiteALL™ Wireless LED light includes a work light with a high-intensity LED flood beam on hinged bracket swivels to direct light. The 13' power cord has automotive-style quick connections. With SMART-touch technology for precision control of Shur-Co® electrics, the ShurLink PRO™ remote offers 2-way communication in an easy-to-read digital display. Two-conductor 16-gauge cable provides additional positioning flexibility for LiteALL™ flood beams. Automotive-style quick connections make for easy installation of wiring.
